Hughes Mouldings is Australia's leading supplier to Custom Picture Framing businesses, established in 1975. We have been very pleased to be associated with Andrew Scott, and his business Complete Framing, since the beginning of 1998. Since then Andrew has demonstrated an extremely professional approach to both the day-to-day operations and the growth of his business as an asset.

From a supplier's perspective Complete Framing actively promotes those products that add value, and this sees them achieve a high average sale. They also actively embrace and display new decorator trends, which contributes toward a perception of being a retail market leader. These two factors have partially contributed towards an obviously successful formula, which is ready for significant expansion.

In business I have found Andrew Scott to be an honourable man who meets any commitment made, while displaying an infectious enthusiasm for the industry that he is looking to revolutionise.

We look forward to being of continued assistance to Complete Framing Stores and wish Andrew Scott and his Franchisees great success in the years to come.
